Shoulder 2 Shoulder, Inc. (S2S) assembled a total Small Business team with exceptional technical expertise, superior past performance, and procurement ready capabilities. Our procurement readiness is demonstrated in the maturity of our business processes and our people. S2S alone possesses over 50 years of Government contracting experience at the executive level and several of our partners have been supporting the VA for over a decade.

Seven of our eight partners are Service Disabled Veteran Owned Small Businesses (SDVOSBs) and over 60% of the employees across our team are Veterans. Our dedicated recruiting staff maintains an extensive resume database with the requisite labor category skills and personnel with unmatched experience. Team S2S stands ready to provide the VA with outstanding support in the Process Improvement and Training service groups.
